Projects

BlogVerse - Full-Stack Blog Application   Github| Live Demo

React | Appwrite | HTML5 | CSS3 | Tailwind | Redux Toolkit | React Router | React-hook-form

- Built an end-to-end blogging platform to read and write blogs with **user authentication**.
- Implemented dynamic **CRUD** functionality for posts using **Redux Toolkit** for efficient state management.
- Leveraged Appwrite for robust **backend** capabilities, including user authentication, database management, and file storage.
- Increased productivity by integrating a **RTE** (text-editor), enabling rich text formatting for writing engaging blogs.

TodoGenie - Notes-Taking Web Application   Github| Live Demo

React | HTML5 | CSS3 | Tailwind | Context API

- Developed a feature-rich notes-taking application for managing notes with an intuitive user interface.
- Implemented dynamic **CRUD** functionalities for notes, including **interactive modals** for updating and deleting notes.
- Utilized the **Context API** for efficient **state management** and **local storage** to preserve notes across sessions.
- Enhanced **UI/UX** with a **responsive** design, ensuring seamless usability across various devices and screen sizes.

NewsSync - Stay Synced, Stay Informed   Github| Live Demo

JavaScript | HTML5 | CSS3 | NewsAPI

- Built a **real-time news app** with **HTML**, **CSS**, and **JavaScript**, fetching headlines from multiple sources via a news API.
- Designed a user-friendly, responsive UI with **engaging thumbnails** and **detailed article info** (title, source, description, publication date).
- Implemented **search functionality** for specific topics and "Read More" buttons for full article access.

Technical Skills and Interest

Programming Language: JavaScript (Intermediate) | Java (Intermediate) | C (Beginner)
Web Technologies: working experience in React.js | HTML5 | CSS3 | Tailwind | Bootstrap | Redux Toolkit
Version Control & **Developer Tools:** Git | GitHub | VS Code | Appwrite | Babel | Webpack | NPM

Education

Chhatrapati Shahu Ji Maharaj University, Kanpur   2021 - 2024
Bachelor of Science in Computer Application | **CGPA: 8.29 / 10**

Jawahar Navodaya Vidyalaya, Etah   2014 - 2021
Grade: 12th - **82%** (PCM) | 10th - **91%**

Certifications

- **React JS Course |** Scalar Academy, July 2024
  View Certificate
- **Career Essentials in Software Development |** Microsoft and LinkedIn, Jan 2023
  View Certificate

Summary

Results-driven Frontend Developer with experience in developing and maintaining user interfaces using React.js. Proven expertise in translating designs into high-quality code, optimizing performance across various devices and browsers, and collaborating with design and product teams to deliver outstanding user experiences. Proficient in HTML5, CSS3, JavaScript, and responsive design principles. Strong problem-solving skills and a passion for UI/UX excellence.
